### PUMP

Comes with pump and battery. We like to make life easy. Let the pump do the work. Inflation up to 12 psi (6 psi recommended). Only takes 10 minutes.

### SWIM LADDER

Comes with a stainless steel easy click in swimming ladder. We've added rounded steps for comfort.

### D-RINGS

10 big d-rings are added to the island for easy and strong velcro connection. Also 4 small d-rings are added to connect the transom bumpers on the island, to protect the island from getting stuck under the yacht platform.

### BALAST BAGS

4 balast bags are added at the bottom of the island for perfect stability.

## HEAT BONDED TECHNOLOGY

We engineered this product with a high density of nylon threads on the inside, fused to a solid PVC-coated base cloth by pre-laminated heat bonded technology. This technology holds that we laminate the drop stitch onto the second layer with controlled heat performed by a machine. We took a layer of drop stitch reinforcement to protect the base cloth and a second drop stitch reinforcement layer to strengthen the island to its max. Dropstitch maintains the shape of the platform under high pressure inflation. On top of these layers, we use a PVC-coat nylon base to guarantee durability. All layers are well-connected due to thermos-assembled methods performed by high-tech machines, saving weight compared to traditional double layer application methods.

# TRANSOM BUMPER

The Jobe Transom Bumper is a necessity when it comes to the Infinity Series. Attach these bumpers to the first Infinity Island or pool when you position one of these products directly behind your yacht platform. The transom bumper secures the island/pool, so it doesn't get stuck under your yacht platform. Always use 2 bumpers to be safe.

[www.jobesports.com/infinity](http://www.jobesports.com/infinity)

**JOBE** 

### PUMP

Our transom bumper comes with the same valve as our Infinity island. Which means you don't have to purchase an extra pump.

### D-RINGS

4 small d-rings are added to connect the transom bumpers on the island/pool, to protect these products from getting stuck under the yacht platform.

## INFINITY TRANSOM BUMPER - item: 281020004
